DESCRIPTION

Olivos is one of our most popular Residential located in Doña Pepa urbanization. Due to its spectacular architectural design. We wanted to innovate and keep the Mediterranean style of our area, giving it a modern touch in its inside.

This Residential is composed by flats in two heights: ground floor with private garden and penthouse with private solarium. This model of flat counts with 2 bedrooms and 2 bathrooms. Because of its architecture, it gives sense of peace and amplitude.

Its location is ideal. It's only 5 minutes walking distance to different commercial areas, just 3 km to the sea and close to medical centres, pharmacies, airports and more.
